PROJECTMAKER SOFTWARE LICENSE AGREEMENT

1. License.
ProjectMaker is licensed, to you by Gilbert-Ohm Inc. dba ProjectMaker ("ProjectMaker") for use only under the terms of this License, and ProjectMaker reserves any rights not expressly granted to you.   ProjectMaker and its licensors retain ownership of the enclosed product. The master password with these templates can only be acquired from ProjectMaker. Any acquired access to these areas from other sources than ProjectMaker is a breach of this software license and this product must be removed from your system immediately.

This License allows you to use these templates with an installed copy of the FileMaker Pro Runtime Application. To "use" the enclosed template means that templates are either loaded in the temporary memory (i.e., RAM) of a computer or installed on the permanent memory of a computer (i.e., hard disk, etc.). You may make an additional copy of these templates for backup purposes.

Client agrees that:
(a) Client will not copy the templates except as necessary for backup purposes.
(b) Client will not copy the documentation except for inter-office use.
(c) Client will not transfer to another party except as authorized by ProjectMaker in writing.
(d) Client will not reverse engineer or disassemble the template for any reason as a separate FileMaker template product.
(e) Client will not remove or obscure any copyright or trademark notices on the software or documentation.

2. Restrictions.   Copyright law protects ProjectMaker. As an express condition of this License, you must reproduce on each copy ProjectMaker's copyright notice and any other proprietary legends that were on the original copy supplied by ProjectMaker.

3. Termination. This License is effective until terminated by ProjectMaker. This License will terminate immediately without notice from ProjectMaker or judicial resolution if you fail to comply with any provision of this License. Upon such termination you must destroy ProjectMaker, all accompanying written materials, and all copies thereof. You may also terminate this License at any time by destroying this ProjectMaker template, all accompanying written materials and all copies thereof.

4. Limited Warranty and Disclaimer, Limitation of Remedies and Damages.
EXCEPT AS SPECIFIED IN THIS WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW.

IN NO EVENT WILL PROJECTMAKER OR ITS SUPPLIERS BE LIABLE FOR ANY LOST REVENUE, PROFIT, OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES HOWEVER CAUSED AND REGARDLESS OF THE THEORY OF LIABILITY ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE EVEN IF PROJECTMAKER OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In no event shall ProjectMaker's or its suppliers' liability to Client, whether in contract, tort (including negligence), or otherwise, exceed the price paid by Client. The foregoing limitations shall apply even if the above-stated warranty fails of its essential purpose. SOME STATES DO NOT ALLOW LIMITATION OR EXCLUSION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES.

The above warranty DOES NOT apply to any beta software, any software made available for testing or demonstration purposes, any temporary software modules or any software for which ProjectMaker does not receive a license fee. All such software products are provided AS IS without any warranty whatsoever.

5. General

This license shall be governed and interpreted, except the federal laws which govern trademarks and copyrights, in accordance with the laws of the State of California. This agreement has been made entirely within the State of California. If any suit or action is filed by any party to enforce this license or otherwise with respect to the subject matter of this license, venue SHALL be in the federal or state courts in Alameda County, California. The parties further agree that this provision shall survive the termination of this agreement and that NO ACTION, regardless of form arising hereunder, may be instituted by either party more than one (1) year after the cause of action arose, or, in the case of nonpayment, more than two (2) years from the date of the last payment, except that the above limitations shall not apply to the enforcement of any of ProjectMaker's intellectual property rights. In any such action, the prevailing party shall be entitled to its reasonable attorney fees at trial or on appeal thereof, as awarded by the court. This license shall be construed in such a fashion as to make each provision enforceable to the maximum extent possible under law. Client acknowledges that Client has read this agreement, which comprises all the terms and conditions in this agreement, understands each and every term and condition of it, and agrees to be bound by its terms and conditions. Client agrees that this agreement is the complete and exclusive statement of the agreement between ProjectMaker and Client and that this agreement supersedes all prior and contemporaneous agreements, proposals, negotiations or discussions, oral or written, relating to the subject matter herein. No course of dealing or usage of trade or course of performance shall be relevant to explain or supplement any terms expressed herein. Client further agrees that no representations or statements of any kind, including but not limited to, dealer advertising, presentations, oral or written, made by any agent or representative of ProjectMaker which are not stated herein shall be binding on Client or ProjectMaker. Failure or delay in enforcing any right

to a provision of this agreement shall not be deemed as a waiver of such provisions or right in respect to any subsequent breach or a continuance of any existing breach. If any provision of this license shall be held to be unenforceable by a court of jurisdiction, the remaining provisions will remain in force and effect and be enforced to the maximum extent permissible. ProjectMaker shall not be in default by reason of any failure of its performance under this agreement if failure results, directly or indirectly, from, but not limited to, fire, explosion, strike, freight embargo, act of God, or the public enemy, war, civil disturbance, act of any government, de jure or de facto, or any agency or official thereof, labor shortage, transportation contingencies, unusually severe weather, default of manufacturer or supplier as a subcontractor, quarantine or restriction, epidemic or catastrophe or other similar event beyond the control of ProjectMaker.
